Others	<p>Education: Graduated in journalism from the Cheikh Anta Diop University of Dakar (1998), I hold a doctorate in Sociology from Paris Descartes University (2009). My doctoral thesis was on the role played by international migration in the transformations of social and economic life of senegalese villages in the River Valley.</p> <p>Research projects: I have developed works on the impact of migrants remittances on the local economies in Senegal, the impact of academic mobility, the development of private high education in Africa, the out of school children, the expansion of secondary schools in Senegal, the nature and role of Islamic education in Burkina-Faso, Mali, Mauritanie, Niger, Tchad and Senegal, on the analysis of public policies related to education at all the levels.</p> <p>I have worked in Senegal, in Niger, in Gabon, in United States and in</p>

France.

I have teaching experience in four countries: China, France, Senegal and United States.

Recent research projects focused on the development of higher private education (Senegal, Mali, Democratic Republic of Congo), the inequalities on secondary schools (Burkina-Faso, Madagascar, Uganda, Tanzania and Senegal), the out of school children (Senegal) academic mobilities (Senegal), and the nature of arab-islamic education (Burkina Faso, Mali, Mauritanie, Niger, Tchad and Senegal).

Finished research projects (2010-2019) :

- Co-leader : ESPI (The development of private higher education in Africa : Mali, Democratic Republic of Congo, Senegal. **2018-2019**).
- Co-leader : ORLECOL (The exclude or marginalized children from the education system in Senegal). **2014-2015**.
- Principal Investigator : OFIIS (The inequalities within the supply of education in Senegal). **2012-2016**.
- Co-Investigator : ESSA (Inequalities and the development of secondary school in Africa : Burkina-Faso, Madagascar, Uganda, Tanzania and Senegal). **2015-2017**.

Organization of seminars: Principal co-organiser of scientific seminars: Public policies, education and knowledge in Africa at the University of Dakar (**2012-2014**); Circulation of knowledge, concepts and norms at the Paris Descartes University (**2014-2017**).

Teaching: I have been accompanying my research activities with teaching in Universities (Paris Descartes in France, and Cheikh Anta Diop in Senegal, BFSU- 2018 international summer session, Grinel College, Iowa).

Other administrative activities: President of ARES, a professional organization for reserarch on education and knowledge since 2015; Member of the Council of the Representation of IRD in Senegal since september **2017**; IRD repressentative within the group of partners of Senegal in the area of education since september **2017**.

Other activities: Consultant for the UNICEF (**2014**); the NGO Enda Europe (**2008**).

Publishing Director: since **2015**of the international academic *Cahiers de la recherche sur l'éducation et les savoirs*.
